WIRELESS INSTRUMENTS FOR KEEL BOATS

Tacktick by Suunto's extensive range of wireless, solar-powered marine instruments provides critical information about your boat and its surroundings.

The Tacktick Race Master provides a superior advantage in race performance by incorporating a tactical compass and wind shift indicator

into one complete package. And with the addition of Suunto precision instruments, you can make informed split-second decisions in any race.

To find out more, or to test a configuration on your boat, visit our website.
