## WIRELESS INSTRUMENTS FOR RACING

Tacktick by Suunto's extensive range of wireless, solar-powered marine instruments provides critical information about your racing boat and its surroundings.

Simple to use and easy to fit, the modular Tacktick display units provide all the race data you'll ever need. The use of superior Micronet

wireless technology also enables complete reliability and confidence in your performance.

With the addition of Suunto precision instruments, you can make informed split-second decisions in any race.

To find out more, or to test a configuration on your boat, visit our website.
