

THE FREEDOM OF WIRELESS

WIRELESS INSTRUMENTS FOR DINGHIES

Tacktick by Suunto's extensive range of wireless, solar-powered marine instruments provides critical information about your boat and its surroundings.

The Tacktick Micro Compass provides a superior advantage in race performance by incorporating a compass, tactical scale and race timer into one complete package. And with the addition of Suunto precision instruments, you can make informed split-second decisions in any race.

To find out more, or to test a configuration on your boat, visit our website.
